

Snack Machine

Comercial Snack Machine

Brand Name: **STAR**

Product Name: **Snack Machine**

Dimension (L*W*H): **38*34*23cm**

Weight: **9.5kgs**

Material: **Stainless Steel**

Capacity: **4Numbers**

Temperature Range: **50-300°C**

Warranty: **1Year**

Origin: **China**

Description:

Premium Quality & Fast Heating: The body of this bread toaster is made of high-quality food-grade stainless steel, with strong stability. The cast-aluminum heating plates with non-stick Teflon coating provide parallel heating for high efficiency. Able to make 4 slices of triangular sandwiches at one time.

Adjustable Temp. & Time: Two rotary knobs equipped for precise control of temperature and time, with temperature 50-300°C (122-572°F) adjustable, and time 0-5 minutes adjustable. The indicators are designed for clear observation of the working status.

Large Capacity: Adopting the large capacity concave cavity (single griddle size: 5.8"x5.8" /147x147 mm)(Sandwich Size: 4.9"x4.9"x0.9"/125x125x24 mm), and automatic edge-sealing design, the toaster press maker machine enable the sandwiches to be freely mixed with various fillings. Perfect for making triangle sandwiches.
